Dear Policyholder

Important - contact details for Equitable Life

You may recall that we wrote to you in 2001 to inform you of the closure of the Society's Dubai Branch.

The letter provided contact details for our UK administrative office, and information in relation to Towry Law International (Tli), with whom the Society reached an agreement as a locally based point of contact.

I regret to inform you that Tli are withdrawing their presence from the Middle East with immediate effect and am sorry for any inconvenience that this may cause you. It is very important therefore, that you no longer send any correspondence regarding your Equitable Life policy to Tli, in particular ongoing premiums.

The administration of your existing policies with the Society will continue to be carried out in the UK, and, as previously, our Client Servicing Centre can be contacted directly with any general administration queries. I set out below the contact details:

International Client Servicing Centre telephone number +44 (0)1296 386242
International Client Servicing Centre fax number +44 (0)1296 386243

Our office hours are Monday to Friday 8.45am to 4.45 pm British Standard Time. Outside of these hours you will be able to leave a message.

Our postal address for correspondence is:

Yours sincerely
