Brexit Questions and Answers

Q. What will be the effect of Brexit on my with-profits policy?

A. There is no change to your policy. A long-term low interest rate environment under Solvency II puts significant pressure on capital distribution and it is not unthinkable that the 35% may have to reduce. Whether or not there is any reduction, a return to economic stability will be the Society's platform from which it can once again aim to increase the capital distribution.

Q. Is my unit-linked policy value going to go down?

A. The price of units changes daily and, in the current market conditions, you can expect a lot of volatility. Every night, our website is updated with the latest price.

Q. Is there anything else I should know?

A. We expect significant market turbulence over the coming months. We stand ready to navigate through this period and our Call Centre staff are on hand to help customers.

Q. What do you think of Brexit?

A. Having heard the will of the UK electorate, the Society aims to continue just as surely with its successful run off.

Q. How can I contact the Society?

A. You can contact us either by phone on 0330 159 1530, by email at enquiries@equitable.co.uk or by writing to us at:
